## FEATURE ARTICLES

*Length: 250-1200 words (some articles longer)  
Due on or before the 10th of the month prior to publication.*

Articles featured in *Natural Awakenings* cover a wide range of subjects in the areas of health, healing, inner growth, fitness and Earth-friendly living. Articles should be written in layman's terms and impart information in a way that does not sound self-serving. Rather than tackling a vast subject, it is better to focus on a particular segment (example: Using Chinese Medicine to Treat Menopause, rather than Everything You Want to Know About Chinese Medicine). We reserve the right to edit all submissions if necessary; for longer features, a copy of revisions can be faxed upon request. Please include a brief biography at the end of your article. The author of a feature-length article accepted for publication will receive a free Community Resource Guide listing that month.

## NEWS BRIEFS

*Length: 50 to 450 words*

*Due on or before the 12th of the month prior to publication.*

What's new? Share it with us! Did you open a new office, recently become certified in a new therapy, or do you have a special event coming up? We welcome any news items relevant to the subject matter of our publication. We also welcome any hot tips or suggestions you may have for a news item. Please write your News Briefs in the third person.

## HEALTH BRIEFS

*Length: 50 to 250 words Due on or before the 5th of the month prior to publication.*

The Health Briefs are short, interesting clips of information often referring to a new health fact or leading-edge research in a particular field. This is an opportunity to share bits of information about your particular therapy, (examples: massage lowers blood pressure; acupuncture shortens labor; exercise eases depression). Please include any references.
